

June 21, 1929.

Mr. Walter Baird, Secy.,
Sand Wash Irr. Co.
Ioka, Utah.

Dear Sir:

RE: SAND WASH DIST.

I have your letter of June 20 and will arrange appointment of Mr. Marchant as soon as possible.

I did have a call from Mr. Smith of the Dry Gulch Company but explained to him that owing to certain legal difficulties had on another system it was advisable for me to comply with all the formalities set out in the law.

Yours very truly,

State Engineer.
